Sensors

Water Accounting

Jooby Sensors							
Model	Appearance	Resource type	Applicability	Sensor type	Radio module compatibility	Connection Cable	Documentation
Jooby Aquaris SNS WOAP01 100		Water	W-Apator JS Master +	Optical	Universal/Multichannel (RM)	-	Product information Datasheet
Jooby Aquaris SNS WOAP02 100			W-Apator JS Smart +				
Jooby Aquaris SNS WIAP01 100			W-Apator JS Master +	Inductive			
Jooby Aquaris SNS WIAP02 100			W-Apator JS Smart +				

Third Party Manufacturers							
Model	Appearance	Resource type	Applicability	Sensor type	Radio module compatibility	Connection Cable	Documentation
Xylem Sensus HRI-B		Water	Sensus meters - Sensus HRI Sensor	Inductive	Universal/Multichannel (RM)	Jooby Cable 1PI 100	Connecting to the Radio Module Installation and operating instructions hri-sensor-data-sheet.pdf

Gas Accounting

Third Party Manufacturers							
Model	Appearance	Resource type	Applicability	Sensor type	Radio module compatibility	Connection Cable	Documentation
ITRON 951.858.06*		Gas	Itron RF1 BKG2.5, 4...BKG6	Magnet	Universal/Multichannel (RM)	Jooby Cable 1PI 100	Connecting to the Radio Module itron_951.858.pdf

Connection Cables

Model	Appearance	Applicability	Radio module compatibility	Documentation
Jooby Cable 1PI 100		For connecting external sensors	Universal/Multichannel (RM)	Product information
Jooby Splitter 1x2PU		For connecting external sensors	Universal/Multichannel (RM)	Product information
Jooby Splitter 1x4PU		For connecting external sensors	Universal/Multichannel (RM)	Product information
